MERRY CHRISTMAS

Supt. Jimmy Baker Wishes Students a Merry Christmas

It may seem awful early to be talking about Christmas but this is the time of the year when all students go home for the long holiday and staff takes this opportunity to take a few days off. Realizing that I will not see most of you for at least three weeks, I want to wish each of you a Merry Christmas and a Happy New Year.

To the seniors who will complete their high school requirements for graduation at mid-term, you have been a part of experiences which will benefit you in your next step in life. These experiences you shared have both been fruitful and sad, but we learn from both. I do hope your decision is such that you will take one further step toward furthering your development in the skills you enjoy. This will help you become the contributing member of society which we constantly stress here.

DORSETTE JOSEPH and MICHAEL WISE SPIRIT have been selected as the 1977-78 Chilocco Princess and Brave. Dorsette Joseph is from the Salish-Kootenai tribe and lives in Elmo, Montana. Michael Wise Spirit is from the Sioux tribe and lives in Poplar, Montana.

For those students who are not graduating, you must also make a decision. This being whether or not you are returning for the January 3 semester. If you decide to return, the semester begins on January 3, thus you should be back on campus no later than January 2.

The many changes planned for the new semester will be obvious when you return. You will be carrying six classes instead of four. Classes will be one hour long instead of the present ninety minutes.

We hope to have Home 4 ready for occupancy by girls. We hope to have Building 10 ready for use by boys. You will also see stricter policies in the student handbook. Examples of these stricter policies will be the more defined off limit areas, study hour in the evenings, required home work, and a check-out check-in system. I am also mandating various dorms to set up a hobby room in each dorm as well as stocking the store with craft and supplies for sale.

Various suggestions have been made by students, staff, parents and tribal officials. These suggestions we will implement to its feasible limit.

The cable TV system will be in operation on your return. You will know when this begins as the antennas standing above buildings will begin to disappear.

One of the big changes you will note will be the improvement of our athletic programs with the new semester. The six classes carried by the students should help all of you maintain eligibility for athletics. We already have an outstanding basketball program and I am proud of these teams as they are really doing great. Lets return and support the boys and girls and the coaches in the school athletic programs.

Karen Saul, Mike Holden Make Who's Who HS List

The Who's Who in American High School Students published their annual 1976-77 book recently. This report listed two students from Chilocco which is an honor that very few students in the United States receive. They were Karen Saul who graduated last year and Mike Holden who will graduate in December 1977. The biographical sketches listed in the book are:

MIKE HOLDEN: Chilocco Indian School, Oklahoma City, Okla., Honor Roll, Yearbook, Key Club, Baseball, Basketball, Football, Track, Honor Floor Dormitory and studying vocations.

KAREN SAUL: Chilocco Indian School. Longview, Texas, Class Representative--Freshman, Sophomore years, Church Worker, Library Aide, Secretary Student Council, Reporter, Yearbook class, basketball, track, Stephen F. Austin to become a Girls Athletic Coach.

SENIOR PROPHECY

As we look into our crystal ball it is December of 1987. Ten years have elapsed since Chilocco's 9 graduates got their diplomas and went forth to make their fame and fortune.

Ah! we see Gerald Magoosh in Mescalaro, N.M. adding the finishing touch to one of his masterpieces of art. (another Michaelangelo)

Now we see Barb Amiotte in South Dakota. She has become a famous fashion designer. She seems to be having trouble finding a dress to fit one of her models. Barb has just sent out some of her newest designs. Maybe you'll see them on the rack next time you go shopping. (Girls)

In Topeka, Kansas we see Brenda Guoladdle. She is a famous editor now. She is working at the American Yearbook Co., one of the better-known publishers of yearbooks in the U. S. of A.

And in Sells, Arizona we see Benny Martinez trying to round up his herd of cattle. He has a big ranch in Sells, Arizona. He has 60 horses, 300 head of cattle and 700 acres of rich land.(oops, I think he just fell off his horse.)

Next we find Mike Holden and Silas Listo in Oklahoma City, Okla. They plan to go to the Olympics together next year. They have just ran 50 laps around the famous Myriad building.

The next graduate we see is Timothy Parker. It looks like he's become a professional boxer. He's giving somebody a rough time in the ring right now. And in the background we see his wife Kip Beard cheering him on.

And in Bartlesville, Oklahoma Steve Voight and Jennie Biggoose became professional printers. They have their own shop and are making a bundle of money.

The old crystal ball image is fading back to the present but I can make out a few of the words -- they say Merry Christmas and a Happy New Year to all!

Open House in Dorms Show off Clean Rooms

On Saturday, December 3, 1977 the girls dorm held an Open House. Staff, students and visitors were invited to see how well the dorm was kept. The girls got many good compliments on the dorm. Refreshments were served later on in the day.

On Sunday, December 4, 1977 the boys dorm had their Open House. Staff, students and visitors got the chance to see how the boys kept their dorm. Mr. McGilbra asked a few girls if they would pick out the best kept rooms in the dorm. On the first floor, Alfred Eyle and Gary Segundo was chosen as the best kept room. On the second floor Reynold Furr and Mike Whitehorn were chosen. Refreshments were served after inspection of the dorm rooms. Everyone thought Wheeler Hall looked exceptionally clean and nice.

Charles Antilla Transfers To Department of the Army

By Jackie Miller

Mr. Charles Antilla is leaving Chilocco for better opportunities in another branch of the government. He will be leaving the Bureau of Indian Affairs and entering the Department of the Army. As a Civilian Civil Service employee, he will serve as a Guidance Counselor for enlisted military personnel in the branch of Education Development.

Mr. Antilla will be working in Kitzen, Germany for at least 3 years and possibly longer. At which time he will have an opportunity to be employed in a similar position somewhere in the United States.

He wishes to express his appreciation to all the staff and students that he has wprked with in the 10 years that he has been employed here at Chilocco. His parting remark is for the students in the future to be sure and "comb your hair."

Tentatively he will be leaving December the 9th. Best of luck to you Charles!

STUDENTS DONATE TIME TO PAINT OVAL FOUNTAIN

Recently the students offered to help paint the fountian with the help of Mr. Nogle, who furnished the paint and brushes, and also the rakes.

Here is a list of the following students who helped participate in this project, Mike Whitehorn, Rupert Dick, Barbara Amiotte, Grace Provincial, Laureen Eppler, Reynold Furr, Madeliva Russette, Rodney Richards, Tilly Pratt, Patty HeCrow, Coleen Polar and Rosetta Jumper.

The INDIAN SCHOOL JOURNAL ran pictures of the students painting the fountain in the last issue.

No Respect

My father always gave me a hard time. Once on my birthday he gave me a bat. The first day I played with it, it flew away.

(Continued From Page 1)

Well, after December 9, its a three week holiday. Let us take one last look at the past, and separate the good experiences from the sad. Let us determine what we have learned from each. Let us weed out those things that were contributing factors to the sadness and then, go full steam ahead with our progress which will eventually lead us to a very fruitful and rewarding new semester.

Chilocco Boxers Score Victories in Three Matches

In November the Chilocco boxing team fought two matches, one with Haskell Indian Junior College and the other with Riverside Indian School. Haskell and Chilocco split 6-6 with Orvin Flyinghorse losing a one point decision to Adrean Dennis. Adrean is well known as No. 1 in the Amateur Ring Magazine. Orvin will get a return match sometime in February.

Chilocco journeyed to Riverside to box them later in the month. When they arrived they found that Riverside didn't have enough boxers to field a complete team. A Wichita Falls, Texas team filled in nicely. The Chilocco boxers came home with 4 trophies. Coach Newman Littlewalker was extremely proud of Vincent Parker who fought and won twice at Riverside.

On December 3, 1977 Chilocco fought an Oklahoma City and Blackwell boxing team and won by a 9-3 margin. Tim Parker received a plaque from the boxing club for his outstanding performance during his years at Chilocco. He graduates on December 9th with a record of 55 wins and 10 losses. The two outstanding boxers of the tournament were Savondo Ybarra and Rick Wolfname. This was Savondo's first sanctioned bout and he won it. Another highlight was Vince Parker's win over Runt Short who went to the Nationals twice.

The next match will be January 4-5-6 with the All Indian Boxing Tournament at Ft. Sill Indian School. Later the Chilocco boxers will box in Hutchison, Kansas.

Coach Littlewalker thinks all of his fighters put out 110 percent in all their matches this year. He believes they are the best boxers in northern Oklahoma. Littlewalker would like to thank Tim Whitewater for announcing the matches at Chilocco December 3rd and also would like to thank the employees who helped in the concession stand.

Chilocco Hires Students For Quarterly Work Program

The School Work Program went into effect recently. There were 42 students who signed up for this program. They are now working in the following areas: Wheeler Hall, Antone Hall, Academic Building, Painting Shop, Boys Gym, Swimming Pool, Administration Office and Student Union.

They will be working until the end of this quarter and will start over the next school semester.
